Trust **under** the crust

CONFIDENCE UNDER PRESSURE

Handling cooking under pressure takes more than performance - it demands reliability, control, and total peace of mind. Retigo Evolution brings it all together to turn high-pressure moments into consistently great results.

PROFIT UNDER CONTROL

Profit isn't just about today's numbers - it's built through smart savings, reliable performance, and long-term value. Retigo Evolution keeps costs down, avoids downtime, and delivers the lasting returns you can trust.

Staying Calm Under Pressure

TrustBuilt construction | Built to endure. Robust frame. **Minimum plastic parts. Seamless AISI 316L s/s** cooking chamber with 10-year warranty. Maximum hygiene.

Extra Capacity, Higher Profit

DynaAirFlow | **Enhanced cooking evenness. Increased capacity.** Generous rack spacing.

Performance Under Control

SecureBoiler | Automatic care. Heat exchanger connected. **Unique backup system ensures uninterrupted cooking.**

Real Savings for Better Margin

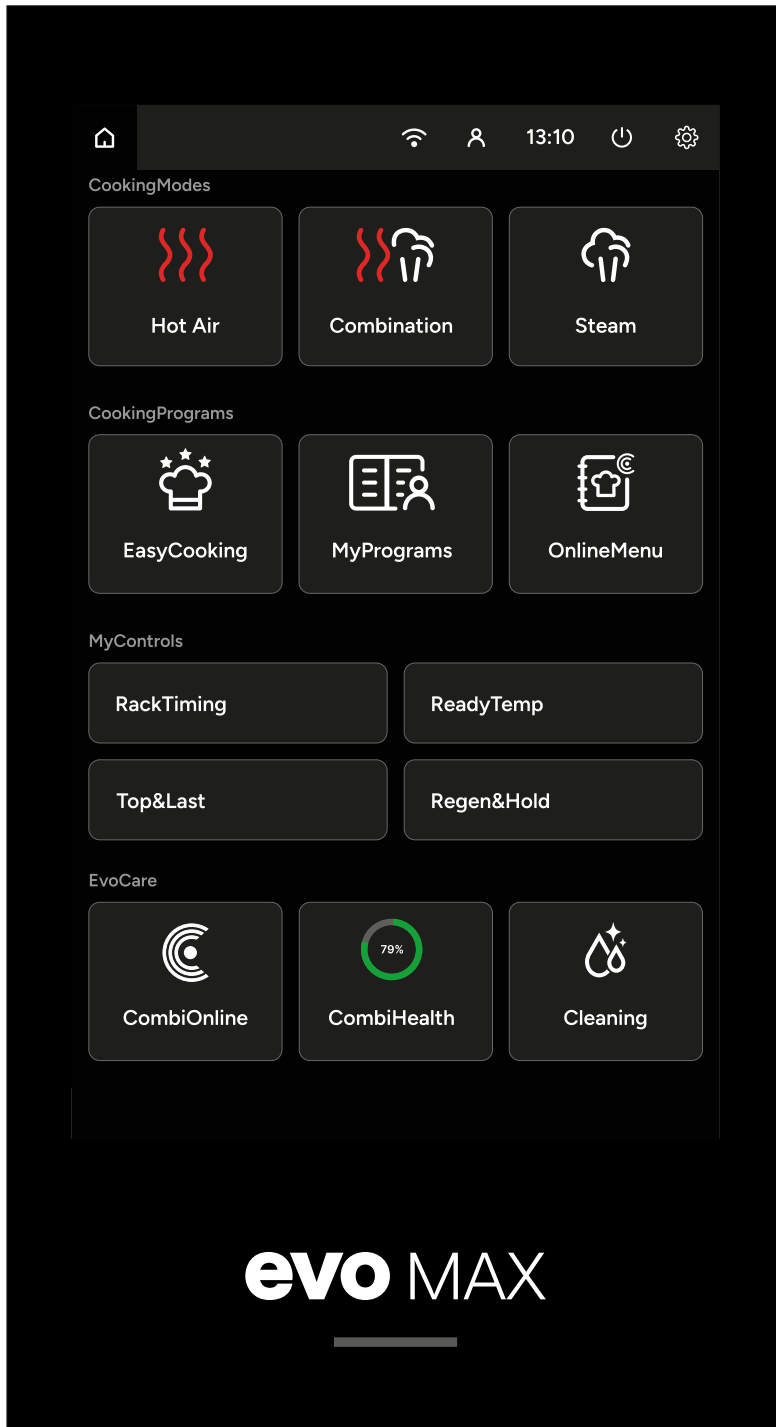

EvoCleaning | **Automatic cleaning.** Cost-efficient. Rinses, decalcifies, and protects. Contains anti-corrosive agents.

Experts You Can Trust

Response time of 12 hours | Trained professionals. Consultation chefs. Practical and meaningful innovations from development team.

Value That Lasts in Time

EvoCare | Complete care: **cleaning, descaling, maintenance, diagnostics.**

EASE UNDER THE LOAD

Retigo Evolution keeps every shift running smoothly - even when the load gets heavy. From smart ergonomics to intuitive controls, every detail is designed to reduce strain, cut stress, and keep you confident when it matters most.

Save Your Back Daily

ErgoFit | Ergonomic design. Crosswise-oriented racks. **Up to 39 % less physical strain.** Safer movement. Healthier backs. Chefs with ease.

Confidence for Every Operator

Touch&Cook Menu | Pictogram-based interface. Maximum intuitiveness. **Perfect for less experienced staff.**

Instant Response, Less Stress

FastReact UI | **Instant, intuitive interface.** Responds without delay. Smoother kitchen flow. Less stress. **More focus on cooking.**

FLAVOUR UNDER THE CRUST

True flavour goes beyond the surface, where Retigo Evolution precision creates perfect colour, texture, and taste - with less stress for your team and more reasons for guests to return.

True Flavour in Each Bite

TrueSteam | Almost unstoppable. Time-optimized **SmartRegulation**. Refined heating elements. **Two-step preheating. Built-in heat exchanger.** Energy and water savings.

Guests Who Come Back for More

5D PreciseCooking | Optimises cooking dimensions: temperature, humidity, airflow, time, and regulation intelligence. **Consistent cooking results.**

Every Chef Can Be a Hero

OnlineMenu | Hundreds of global Retigo recipes. Easy access with filters and search. Endless inspiration. **Easy Cooking | Step-by-step chef guidance. Preset programs and cooking techniques.**

UNDER THE SPOTLIGHT

True responsibility stands strong under the spotlight - from kitchen to planet. Trust Retigo Evolution to deliver proven sustainability and top-tier performance, cutting your impact while achieving outstanding results every day.

Responsibility That Rewards

Retigo ESG policy | Transparently calculated CO2 values. **99 % of components sourced In Europe,** with 65 % in Czech Republic. Enhancing CSRD rating.

Less Waste from Kitchen to Planet

Reducing food and energy waste | The EPA Energy Star standard requirements exceed. Smart cooking methods and programs. Long lifetime.

Sustainability That Works for You

Better place to work | Saving time, energy and detergent automatically. **Up to 98 % recyclable stainless steel.** Minimal plastic. Phosphate-free powder cleaner.

Evolution

Not every change needs to be loud.
In kitchens under pressure, what matters most is what holds.
Not disruption. Not reinvention. But care. Continuity. Precision.
That's why when you go under the surface, you don't look for
a revolution.
You build evolution. One detail, one shift, one smart decision at a
time.
